

Global Online MBA tentative schedule

You can start the programme at two moments in the year:
16 March and 31 August 2026

The programme can be finalised in two years. Students may take up to four years if needed. Courses run over four weeks. Live Zoom-based classes take place every week on Mondays

and Thursdays from 7-9 pm CE(S)T. Live Zoom sessions are compulsory. In case you need to miss a session, you have to inform your instructor in advance.

Assignments should be submitted on the Sunday after the last zoom session. In between courses, you will have one week without study.
