

Two ways to grow at MSM

Discover yourself and build your future throughout the Master in Management

They may sound similar, but each has its own purpose.

Know yourself

Personal Development Portfolio (PDP)

Figure out who you are as a future professional.

3 ECTS

4 full-day sessions

Mandatory

Includes assignments

What you'll actually do

- ✓ Take personality & skills tests
- ✓ Learn how to manage your time
- ✓ Improve teamwork & communication
- ✓ Try out consulting-style thinking
- ✓ Build your personal action plan

Best for:
self-discovery
+ structured thinking

What does it look like during the year?

- ✓ 4 Key sessions across the year (deep dives)

Get career-ready

Career & Personal Development Track (CPDT)

Build the skills to prepare you for your future career.

Extracurricular

15-20 workshops sessions

Personal career guide

No exams, no pressure

What you'll actually do

- ✓ Create a strong CV & motivation letter
- ✓ Practice interviews
- ✓ Learn networking & elevator pitches
- ✓ Explore your career direction (Ikigai!)
- ✓ Improve presentation & confidence

Best for:
Professional
+ real-world skills

What does it look like during the year?

- ✓ Ongoing workshops & events (pick what you need)

So... What's the difference?

Focus

Structure

Attendance

Assignments

Guidance

	Focus	Structure	Attendance	Assignments	Guidance
Personal Development Portfolio	Discover yourself	Structured course	Mandatory	Yes (group+written)	Academic advise
Career & Personal Development Track	Build your career	Flexible workshops	Not mandatory	No assignments	Career guidance
